Roland Keenan of St. Albans, a brakeman on the Canadian Atlantic railroad, was killed Friday morning between Co-teau Junction and Montreal, but in what way will never be known. He was missed from the train and his body found on the track,

Charles A. Deal, who recently died in Pasadena, Cal., at the age of 57 years, was employed by the express company in Highgate Center for over 30 years. About four years ago he was seriously injured in a railroad accident and soon after removed to Pasadena, hoping to re-

Clarence P. Niles, aged 42, and district attorney of the western district of Massachusetts, died during Saturday night at his home in Pittsfield, Mass., of acute indigestion, which brought about dilation there and in the Bennington schools. He practiced law in Vermont for a time, but removed to Massachusetts in 1897.

Charles Munson of Westford, aged 85 to the house of a neighbor Thursday evening, slipped and fell, and the lantern which he carried went out. He then tried to reach a light which he supposed came from the neighbor's house, but chinery has been installed in it. Operaaway. After wandering about he came to the edge of a steep ledge, from which he fell, breaking one bone of the lower He crawled about for nearly an hour, when his cries for help were heard by a passerby. He was taken to a hospital for care.

According to the will of the late Fletcher D. Proctor, there will be a nation, the same has been accepted to Christmas tree and moving pictures for take effect upon the election of his sucthe children of Proctor this year, the cessor. same as last, the same to take place Friday afternoon, Dec. 17. Each child the let infantry are hereby ordered to will receive an ice cream cone, orange assemble at the adjutant general's office and a box of candy.

Burlington for more than two years, has other vacancies as shall exist or oc tendered his resignation to Sheriff J. H. cur at the time of said election. Allen and as soon as a new man can be appointed to the position at the jail Mr. and Mrs. Towne will leave for Waterbury village, where they have purchased a 14-cow farm.

Lecture on Preventive Medicine.

The Vermont State Medical society has issued the following announcement concerning the plans of the American Medical association:

"No effort in the modern educational world better expresses the spirit of the times or deserves more commendation than the attitude of the American Medical association toward informing the general public along the lines of preventive

a clearly developed plan for systematic work throughout the United States and Mr. Entire Ct. 1. holds each state meetal society response. My Entire Stock of ble for the work in its own state.

"The public healt! committee for the Vermont State Medical society met in including the following: About 5 dozen Furlington November 16 and ou. Led house dresses, all sizes; 12 ladies' sumthe following plan for the work in this mer dresses, 24 skirts, 36 dresses, wool

A committee will be chosen from waists, each county and city medical society ton petticoats, 7 doz. corsets, a lot of which will have charge of the work in that section and endeavor to come in cluding Silent Salesmen show cases, touch with all local organizations as large size, I; large dress cabinets, with granges, church societies, schools, par-ent-teacher associations, men und wom-ent-teacher associations, men und wom-en's clubs, and those interested in outlying or rural districts.

The local committee will arrange for the lecture or talks on being notified that such is desired, and it is earnestly hoped that every organization will feel that its work has not been well done unless at least one of the public health lectures has been included in its program.

"The newspapers will aid in giving press notices of public interest and help fulness. The University of Vermont ex-tensions course is hoped to be utilized, especially in rural districts and the committee expects to arrange a series of lectures, at different points in the state, by popular public health officials who will visit this state.

"Health problems form one of the greatest economic factors with which we deal and it is hoped that every physician will co-operate to further this great work and show the true spirit to work for preventive as well as curative medi-
